BACKGROUND

Bachelor of Physiotherapy
(Honours) University of Adelaide
(Final Year)

Working alongside allied health
professionals to deliver
structured, safe, and outcome-
focused support.

Experience in functional
movement, rehabilitation
principles, and participant-
centred care.

APPROACH

Domenico delivers structured,
goal-directed support focused on
building independence and
improving functional outcomes.

His approach is grounded in
physiotherapy principles,
participant-led decision making,
and creating meaningful, real-
world experiences that extend
beyond the home.

INTERESTS

- Soccer (player and coach)
- Sport and physical activity
- Community-based outings and experiences
- Structured, activity-based sessions
- Youth engagement and mentoring

Uses sport and activity to build
confidence, teamwork, and
engagement.

EXPERIENCE

Mentor | Therapy Assistant

Supporting participants across a broad range of needs
through:

- Daily living skills and independence building
- Community access and engagement
- Structured mentoring through sport and recreation
