BACKGROUND

Jackson is a friendly, reliable and compassionate person with a genuine passion for supporting others.

He values building positive relationships and helping people feel comfortable, respected and encouraged while working towards greater independence and their personal goals.

APPROACH

Jackson provides patient, approachable and participant-focused support. He aims to create a positive and supportive environment where participants feel comfortable being themselves. His approach focuses on building trust, encouraging independence and helping each person work towards their individual goals.

INTERESTS

- AFL, basketball and soccer
- Keeping active and spending time outdoors
- Listening to music
- Spending time with family and friends
- Community and social activities
- Supporting participants to build confidence and independence

Jackson enjoys using shared interests and activities to build genuine connections with participants.

EXPERIENCE

Mentor | Support Worker

Jackson supports participants through:

- Community access and social participation
- Sport, recreation and outdoor activities
- Building confidence and independence
 - Working towards individual goals
 - Developing positive routines
- Providing friendly and reliable companionship

His patient and encouraging nature allows him to build positive relationships and adapt his support to each participant's interests, needs and preferences.
