BACKGROUND

Bachelor of Speech Pathology
(Honours) University of Adelaide
(Current)

Strong understanding of
communication development,
functional participation, and
participant-centred support.

Experience supporting young
people to build
independence and
confidence in everyday
environments.

APPROACH

Savana focuses on building
genuine relationships and
delivering supportive, engaging,
and participant-led mentoring.

Her approach emphasises
communication, confidence-
building, and creating safe
environments where participants
feel understood and capable.

INTERESTS

- Youth mentoring and engagement
- Communication and confidence-
building
- Community access and
independent travel
- Routine-building and structured
support
- Real-world skill development

Uses communication-focused
strategies to build confidence,
independence, and social
participation.
